7. Police Issues

Risby Parish Council requested speed enforcement in Risby due to high speeds recorded by the Vehicle Activated signs. This was the response from Suffolk Police following a speed survey which they carried out in School Road:

Unfortunately the Safety Camera Team cannot carry out enforcement at every site that is complained about - we currently have over 400 sites County wide, so we have to set a criteria to meet the demand.

From the data, School Road (11.8%) and South Street (10.4%) combined percentages for prosecutable speeding vehicles travelling at or over the NPCC threshold (i.e. 35mph or above) are well under our criteria of 20% or more, at which we would set up an enforcement site.

Although our team cannot help any further, rest assured it is still being dealt with by another department. I have forwarded the original complaint, and data, onto the Bury Community Policing Team who have more flexibility than we do, and so will be able to assist with the speeding issue.

Risby Parish Council has been in contact with Risby's Community Policing Team to request enforcement. They are in the process of training some more officers in the use of speed guns and will be able to carry out more speed checks after that. The Community Policing Team members for Risby are PC Helen Reeve, PC Helen Slade, PCSO Amanda Dodd and PCSO Michelle Crompton. The email address for the team is cpt.burystedmunds@suffolk.police.uk
