

Risby Parish Council

Procedure for Dealing with Correspondence

The first point of contact when you email Risby Parish Council will be our parish clerk and it is their role to deal with correspondence.

When an e-mail is received the clerk will action it in one of the following ways:

1. If it is a routine enquiry about a task delegated to the clerk (see appendix 1), the clerk will acknowledge receipt of the e-mail, deal with the query and notify the sender within 10 working days as to what action has been taken.
2. If an e-mail is received about an issue which is not one of the tasks delegated to the clerk, the clerk will acknowledge receipt of the e-mail and will notify the sender of the date of the meeting when it will be discussed. Emails requiring a decision to be made by the Parish Council, or which the clerk feels should be discussed in more detail by the Council, will be added to the agenda of the next meeting. The e-mail will also be forwarded on to all the parish councillors. If an email is received after the agenda has been published (usually one week before a meeting), it will be added to the agenda of the following meeting.
3. The sender will be invited to attend the public session held near the start of the meeting to discuss their query with the Council and to stay for the meeting to hear the Council's discussions. Any decisions made at the meeting will be included in the minutes which will be published on the Council's website within one month of the meeting.
4. Individual responses to e-mails will not routinely be sent unless the Council feels it is appropriate in specific cases. The Council will not respond to vexatious, abusive or threatening e-mails.
5. Any e-mails sent to individual councillors will be forwarded to the clerk to action in line with the procedure set out above.
